

SUN CARE POLICY

The Nursery is committed to ensuring that all children are fully protected from sun the dangers of too much sun.

At Toptotz we use the following procedures to keep children safe and healthy in the sun.

- Children must have a clearly named sun hat which will be worn at all times whilst outside in sunny weather.
- Children must have their own sun cream named and dated. This enables children to have sun cream suitable for their own individual needs.
- It is advisable that children are dressed appropriately during the summer months i.e. long sleeved cotton tops and long leg trousers.
- Children will always have sun cream applied before going outside in the sun and at frequent intervals during the day.
